Why are we doing this as a school?

- We want the best outcomes for our students and we want the best teaching and learning our students can have.
- Finishing earlier on a Thursday will mean extra training for your teachers so that we can deliver the best lessons possible.
- We passionately feel that any reduction in the school day will not hinder progress.

How will this effect me?

Students

- If in Year 11 next year, there will be no revision on a Thursday but you will have revision every other day.
- Detentions will still run on a Thursday. Homework clubs will run, so if school finishing earlier is a problem you have a place to work. Other after school activities e.g. sports fixtures may run, where possible.

Parents

- We have tried to ensure that the school days finish is not significantly early but will enable you to collect your child, then other siblings at other schools after.
- If you want your child to stay in school until 3.10 – we have opportunities for your child to do that, with a few clubs running to support this.
