## **CONFLICT OF INTEREST POLICY (FOR MEMBERS, TRUSTEES AND LOCAL ADVISORY BOARD MEMBERS)**

### **1. INTRODUCTION**

This Policy sets out the process that needs to be followed by Members, Trustees and Local Advisory Board members to avoid any potential Conflict of Interest.

The Trust is committed to undertaking, and being seen to undertake, all of its activities to the highest possible standards of propriety and integrity expected of a public body. The Trust, its staff, Members, Trustees and Local Advisory Board Members will act fairly, honestly and with integrity in all aspects of what they do. The Trust's staff, Members, Trustees and Local Advisory Board Members must uphold the highest standards of public conduct and, at all times, act in the interests of the Trust.

All Members, Trustees and Local Advisory Board Members are specifically expected to apply the Seven Principles of Public Life established by the Nolan Committee:

- Selflessness
- Integrity
- Objectivity
- Accountability
- Openness
- Honesty
- Leadership

The Trust Board Expenses Policy sets out the entitlement to expenses properly incurred during the conduct of business. Other than entitlement to expenses in line with that Policy, Members, Trustees and Local Advisory Board Members are expressly not entitled to any form of remuneration or other financial reward or benefit for undertaking their role.

Conflicts of interest (whether real or perceived) cannot always be eliminated but they need to be identified so that they can be avoided or managed appropriately in accordance with this Policy.

### **2. APPLICATION OF THE POLICY**

This Policy applies to all Members, Trustees and Local Advisory Board Members and sets out the **minimum requirements that must be met**. On any occasions where Members, Trustees or Local Advisory Board Members are concerned that a particular circumstance or event, whilst complying with this Policy, may still lead to a potential or actual Conflict of Interest (whether real or perceived), they should consult with the Clerk to the Equitas Academies Trust to seek further advice.

### **3. CONFLICTS OF INTEREST**

A Conflict of Interest exists where a Member, Trustee or a Local Advisory Board member's personal interests or loyalties could, or could be seen to, prevent them making a decision which is in the best interest of the Trust.

A Conflict of Interest will occur when there is a divergence between an individual's private interests or loyalties (or those of any Related Parties) and the interests of the Trust and its academies such that an independent observer might reasonably question whether the individual's actions or decisions are determined by considerations of personal gain, whether financial or otherwise. Conflict of Interest is a set of circumstances that creates a risk that an individual's ability to discharge their duty to act in the best interests of the Trust is compromised because their judgement could be impaired or influenced by a secondary interest. Conflicts might occur due to the possibility of individuals or Related Parties having:-

- direct or indirect financial interests;
- non-financial or personal interests;
- conflicts of loyalty where decision makers may have competing loyalties between the Trust and the other person or entity.

#### **4. DECLARATION OF INTERESTS**

This Policy sets out the requirements which Members, Trustees and Local Advisory Board Members must comply with in respect to making appropriate Declaration of Interests where those interests could potentially conflict with the interests of the Trust or its Academies. Members, Trustees and Local Advisory Board Members have a duty to make a Declaration of Interest in accordance with this Policy.

All Members, Trustees and Local Advisory Board Members are required to make an annual Declaration of Interests. Any changes during the course of the year must be notified in a new Declaration of Interest, within 28 days of the interest being known.

For Members the annual declaration should be completed at the Trust's first Full Trust Board Meeting in the academic year. For Trustees and Local Advisory Board Members the annual declaration should be made at their first meeting of the academic year.

Annual and updated Declarations should be made on the Declaration of Interests form sheet present at the meeting. Other declarations should be made during the course of the day to day business of the Trust, for example during Trust Board meetings and meetings of its sub-committees or as part of a procurement process.

Individual Declaration of Interests will be collated to form a Register of Interests. The Register will be managed by the Trust Company Secretary and be available upon request. The Register of Interests will be used to identify any potential, actual or perceived Conflicts of Interest in order to enable the Trust to avoid or appropriately manage them. For example, it will be used to ensure that the Trust's procurement and trading activity is fair to all parties involved and to help the Trust ensure that the highest standards of propriety and conduct are met, especially in respect of Related Party transactions.

If a Member, Trustee or Local Advisory Board member believes that there is a potential Conflict of Interest which is inappropriate to be shown on the Register for personal reasons he/she must set out a case to the Executive Headteacher who will decide whether that interest should not be included on the Register and shared. There will be a presumption that all declarations are shared unless there are circumstances that apply which would make this inappropriate and if the redaction from the Register cannot lead to a potential Conflict of Interest occurring or would prevent it from being managed appropriately. It should be noted that it would be a disciplinary offence for any member of staff who legitimately has access to

the Register to disclose the contents of it except where this is necessary for them to properly discharge their duties.

Members, Trustees and Local Advisory Board Members should have a standard agenda item at the beginning of each meeting to declare any actual or potential Conflict of Interests which he/she has in an item to be discussed on the agenda, before the item is discussed. If a Member, Trustee or Local Advisory Board Member is uncertain if he/she is conflicted then he/she should declare the issue and discuss it with the other Members, Trustees or Local Advisory Board Members. If a Member, Trustee or Local Advisory Board Member is aware of an undeclared Conflict of Interest affecting another Member, Trustee or Local Advisory Board Member or a Related Party he/she should declare this to the other Members, Trustees or Local Advisory Board Members. Where there is a declared Conflict of Interest the relevant Member, Trustee or Local Advisory Board Member should withdraw from the meeting, discussion, decision making or voting that takes place concerning that Conflict of Interest or a Related Party's interest(s).

## **5. PECUNIARY AND NON-PECUNIARY INTERESTS**

There are a variety of potential interests that Members, Trustees and Local Advisory Board Members may have that could potentially conflict with their duty to always act in the best interests of the Trust and its Academies. Those listed below must be declared by Members, Trustees and Local Advisory Board Members if they have such an interest or if any Related Party has such an interest. However, there may be other potential interests or conflicts that exist not listed below which should also be declared.

## **9. DECISION MAKING**

Where there is a Conflict of Interest, for example a proposed transaction between a Member, Trustee, Local Advisory Board Member or Related Party, and the Trust, the applicable Member, Trustee or Local Advisory Board Member must follow the procedure set out in the Trust's Articles of Association for absenting themselves from the decision making process.

However, there will be a presumption against recommending any proposed transaction with a Member, Trustee, Local Advisory Board Member or Related Party. Recommendations to enter the transaction would be made to the Trust Board by the Executive Headteacher in only two circumstances:-

- i) if the arrangements not to enter the transaction would contravene Public Contracts Regulations or EU Procurement law;
- ii) in the unlikely event that the goods and/or service are so unique that they cannot be secured from another source and there is no other solution that offers the same value for money.

## **Equitas Academies Trust**

In the event of a decision being made to award a contract to a Member, Trustee or Related Party (please note this excludes Local Advisory Board Members), the Trust can only enter the contract if it has been properly procured in a fair and open process and if the Member or Trustee, or Related Party, can provide:-

- a **statement of assurance** from that individual or organisation to the Trust confirming that their charges do not exceed the cost of the goods or services; and;
- an **open book agreement** including a requirement for the supplier to demonstrate clearly, if requested, that their charges do not exceed the cost of supply.

For these purposes the cost will be the **'full cost'** of all the resources used in supplying the goods or services. The full cost includes:

- all direct costs (the costs of any materials and labour used directly in producing the goods or services); and
- indirect costs (comprising a proportionate and reasonable share of fixed and variable overheads).

Full cost must not include an element of profit.

In the event of the above requirements being met in full, before a decision to enter a transaction with a Member, Trustee, Local Advisory Board Member or Related Party is made the Trust Board must consider whether the transaction could be seen to be 'Novel or Contentious'. If so it must be referred to the EFA for its explicit prior approval.

### **10. FAILURE TO FOLLOW THIS POLICY**

Members, Trustees and Local Advisory Board Members who do not follow this policy may be in breach of their duties and may be subject to internal action within the Trust, including being removed from their post. In certain circumstances Members, Trustees and Local Advisory Board Members may also be subject to external sanction, including being barred from undertaking the role of a company director or Trustee and in exceptional cases being subject to criminal prosecution.

The Education Funding Agency may also issue a Financial Notice to Improve (FNtI) to the Trust when there is deemed to be irregular use of public funds or inadequate financial governance and management (including breaches of the duties, principles and requirements governing Related party relationships and transactions). Failure to comply with an FNtI can, in exceptional circumstances, also result in the termination of the funding agreement(s).

If Members, Trustees and Local Advisory Board Members believe any of their number are undertaking activity that leads to personal gain they should report their concerns under the Trust's Whistle Blowing Procedure.
