Dear Parents/Carers,

Further to my letter yesterday I wanted to clarify some issues.

We have carried out a full risk assessment of the building with the site manager and Rentokil. It has been determined that there is not a risk to the health and safety of students in school, and therefore in consultation with the Trustees the decision has been made to keep the school open. (Although the closure from 12.00pm tomorrow will help us to ensure the building is thoroughly cleaned in all areas).

The school have also contacted Environmental Health to inform them of the situation. They are happy that the school is doing everything that we can do to manage the situation.

We are doing everything we possibly can, the school is being disinfected each day to ensure the safety of students, and will be deep cleaned over the weekend.

I appreciate that there are concerns over this, however we are risk assessing on a daily basis and we will continue to monitor the situation and keep you informed.

Please do contact me if you wish to discuss your concerns.

Yours sincerely,

J Sweeney
