HEADTEACHER: JILL SWEENEY

28th November 2018

Dear parent/carers

We have had a recent incident where mice have been seen in school. We have Rentokil pest control in school on a daily basis to ensure this does not become a problem.

As a precaution we will be closing school at 12.00p.m on Friday 30th November so that we can ensure the building has a thorough deep clean and a pest control programme in place. We will be encouraging children to come straight home, however if you would prefer your child to remain in school until 3.10pm please indicate on the slip below and they will remain supervised in D4a.

A selection of food will also be available at break time for students as well as sandwiches at 12.00p.m when they leave.

Please be assured that we have acted quickly to eradicate the problem. Rentokil have attended the school today and have prepared a plan of action.

If you are concerned please feel free to contact me at school.

Yours sincerely

Jill Sweeney
Headteacher

I parent/carers of _____

Form _____

Give consent for my son/daughter to remain in school until 3.10p.m on Friday 30th November.

Signed: _____

Date: _____
