Year 11 Raising Standards Evening

Dear Parent/Carer

As your child approaches their GCSE examinations beginning in May, we would like to invite you to a 'Raising Standards Evening' for the parents/carers of all our Year 11 students.

This evening is aimed at informing and supporting you, as parents and carers, in the way you can best support your child during this crucial time in their lives. The evening will take place on Thursday, 7th February between 4.30 and 6.00 pm.

The 'Raising Standards Evening' will consist of a presentation detailing how you can best support your child in the build up to their exams with revision tips, planning, staying healthy and managing any anxiety. We will also be informing you on the revision sites we recommend at school and how your child is able to access these.

This is a really important time for students as they take examinations that will shape their futures after Year 11. There will also be careers and apprenticeship advisors available on the evening should you have any questions regarding your child's next step, as well as our dedicated team of Sixth Form staff.

Could I please ask that you return the reply slip at the bottom of this letter indicating which session you will be attending.

Yours sincerely

Mr J Forbes

Dear Parent/Carer

As the parent of a Year 11 student, I am sure you understand the additional pressure that our students are under, as the cycle of GCSE examinations approaches. The vast majority of students are well into their revision now, we have provided them with a pack of revision resources and offered advice and guidance on how to revise during assemblies and form time.

We are aware that some students often find it easier to revise in school. At the moment our session 6 runs after school every day (except Thursday) until 4.15p.m. We would like to offer students the chance to stay and revise independently in school until 5.15p.m on Mondays, Tuesdays and Wednesdays.

We will be opening a computer room after session 6 for one hour to enable this to happen. The room will have a member of staff on duty. Students will have to remain in the room for one full hour and will not be able to leave early. If your child would like to attend, please fill in the consent slip below, students will not be allowed to stay without a completed slip.

Thank you for your continued support.

Yours sincerely
