Dear Parent or Guardian,

As part of the Careers, Education, information, Advice and Guidance framework within Aston Manor Academy, we shall be giving **all year 10 students** the opportunity to visit, The World Skills Show 2019. This will help them find out about the many skills, career pathways and opportunities there are available for young people post 16.

There shall be many different workshops within the NEC Worlds Skills Show, which students can engage in throughout the day. The World Skills Show will also give students the chance to ask questions and find out more about colleges, apprentices and careers.

Talks will be given by tutors and professionals who will explain the skills and qualifications required for different careers.

This visit will give students an exciting and new experience whilst widening their vision of career opportunities and pathways.

- We will visit the NEC World Skills Show on Friday 22nd November 2019, leaving school at 10.000am and returning to school at approximately 2.30pm
- Students who do not receive a free school meal are asked to provide a good packed lunch for breaks during the day.

All students are encouraged to take part in this exciting opportunity

You must complete the consent form and return it to school

There is no cost for this trip.

Yours sincerely

Lyn Ajibade
