HEADTEACHER: JILL SWEENEY

Tuesday 22nd September 2020

Dear Parents of Year 11 students,

It was with great disappointment that we had to send Year 11 students home yesterday to self-isolate. It is a very important year for them and it is crucial that they are able to receive quality teaching as much as possible.

I would just like to inform you **that the date of return for all Year 11 students will be the Wednesday 30th September**, and we expect all students to return.

Lessons are being delivered on the Teams platform online, and there is an expectation that all students will engage with these lessons. Where this is not possible work packs will be sent out to complete. We will try and keep teaching and learning as near as we can to normal over the next couple of weeks until students return.

I would like to remind you that students should be self-isolating and not be out in public for any reason until the 30th September.

It is important that if your child or anyone in the household has a positive COVID-19 test that you inform the school immediately.

It is disturbing that COVID numbers continue to rise and we must all do what we can to minimise the risk. We continue to maintain our high standards of hygiene and social distancing in school in order for us to keep the school open for as many students as possible. We trust that students and families continue to abide by the rules, however difficult that may be, so that we can quickly return and remain in school.

Yours sincerely,

Jill Sweeney
Headteacher
