19th October 2020

Dear Parents/Carers,

Unfortunately I have had to come to the decision to close the school due to a number of positive COVID-19 cases reported to me today. The school will remain closed to all pupils until Monday 2nd November.

Due to reduced staffing numbers I do not feel that I am able to provide adequate staffing in order to maintain safe running of the school.

This decision is taken with the safety of all students and staff in mind.

Students will not need to self-isolate unless they have been identified as a close contact of any positive cases. We are collating this information at the moment and will get this information to you as soon as we can. If you are contacted you will need to self-isolate for 14 days from the date of the contacts first symptoms or positive test.

We will be providing students with online learning this week, and we expect all students to engage with this.

The school website will be updated on a regular basis, and texts will be sent out to inform you of any updated information.

The school office will remain open to respond to any queries you may have, although please do not visit the school in person.

I thank you for your support, and look forward to all pupils returning on Monday 2nd November.

Please look after yourselves and your families at this time.

Kindest regards,

Jill Sweeney
Headteacher
