HEADTEACHER: JILL SWEENEY

26th November 2020

Dear Parents/Carers

The majority of students have returned to school this week and I would like to thank you for your support with online learning during their period of isolation. A questionnaire will come out to parents shortly to find out about your experiences of online learning. Please take the time to complete this.

We have been made aware of some cases of COVID this week within a year group bubbles and a small number of students have had to self-isolate.

We respond to all advice provided to us by Public Health England and ventilation in classrooms is important in reducing the transmission of the COVID-19 virus. This means that we are having to keep doors and windows open in all classrooms, in order to provide a flow of air throughout. Although each room has heating some classrooms can become quite cold. Please can you ensure that your child wears an extra layer under their uniform e.g. T-shirt/vest for some extra warmth. Students are also able to wear a jumper underneath their blazer. We will currently allow a plain black or grey jumper to be worn to school. The jumper must be plain, with no writing or hood and be suitable for school. Any clothing deemed not appropriate will be confiscated during school time and will be returned to the student at the end of the day.

Thank you for your continued support, please keep safe and well.

Yours sincerely,

Jill Sweeney
Headteacher
