HEADTEACHER: JILL SWEENEY

17th November 20220

Dear Parent/Carer,

I am writing to inform you that we have had another 2 cases of COVID-19 reported to us.

We are all having to be very flexible and adapt to the current circumstances very quickly.

We are ready and prepared to continue home learning whenever there is a need to send pupils home due to COVID related issues. However I would like to express my frustration and disappointment that some parents are not taking account of the government guidance and continue to send their children to school despite them being unwell. We have had students in school who should not have been sent in and are putting the health and education of others at risk, this is due to guidance not being followed. You must follow the guidance.

We are working incredibly hard to reduce as many risks as possible through our school procedures, but this will not work whilst children continue to be sent to school when they should remain at home.

If you are unsure whether to send your child to school please contact school and we can advise you.

Please take note that not all COVID-19 cases start with the promoted symptoms of cough, temperature and loss of taste. There are many other symptoms that have been displayed such as colds, headaches, tiredness.

Please continue to follow the government guidance.

Yours sincerely

Jill Sweeney
Headteacher
