HEADTEACHER: JILL SWEENEY

Friday 26th February 2021

Dear parents/carers of Year 12 and 13 students,

Following on from Mrs Sweeney's letter dated Wednesday 24th February, I would like to give you information on when your child will be required in school for asymptomatic testing and when your child will return to school for face-to-face teaching.

Asymptomatic Testing

You will be receiving a text message and email with details of a Microsoft Form to complete, consenting to the asymptomatic testing of your child **3 times between 8th – 19th March**. Students aged 16 and over can self-consent, so your child can complete this form themselves. If you/they do not consent to this voluntary testing, the form still needs to be completed by choosing the 'no' option on the form. Please can these forms be completed online no later than **Tuesday 2nd March 2021**.

We are confident in our testing process, having tested staff and vulnerable/key worker students regularly since January. Students needing support with being tested will be given that support by fully trained staff.

Results will be sent via your nominated email / mobile number. It may take up to 24 hours to receive official notification from NHS Track and Trace. However, family will be notified immediately by the school if your child tests positive for Covid-19. See below details of when students are required in school for their first test

Date of testing: **Monday 8th March 2021**

| Monday 8 th March 2021 | |
|-----------------------------------|----------|
| 11.20 | AKH |
| 11.40 | AROB |
| 12.00 | AZS/LVA |
| 12.20 | MN |
| 12.40 | KN & FAS |
| 1.20 | AA |
| 1.40 | JK/RBE |
| 2.00 | DB & SCO |
| 2.20 | MJ/PB |

Students can attend school for testing in suitable, casual clothes - but must come wearing a face covering, be required to wash and sanitise their hands and social distance before, during and after the test. All students will enter the school **via the main entrance** and **exit via the 6th Form gate** on Phillips Street. After the test students should go straight home. Students will not be required back in school until Thursday 11th March, when face-to-face classroom learning will resume. If you are not consenting, students do not need to attend school on the date above and return on Thursday 11th March. Parents are welcome to wait in cars for their child. Children should be in school for no more than 1 hour.
