2nd February 2021

Dear parent/carer,

On **Tuesday 9th February 2021** your son/daughter will be taking part in our Aston Manor Academy virtual careers fair.

Usually this event would take place at school with colleges and organisations coming into school and interacting with our pupils. Due to this year's Covid restrictions our event will take place virtually and will be as educational, informative and fun as ever!

Your child is at the stage in their educational journey where they have to make some crucial decisions concerning their future study and career. With the help from staff they must consider their pathways carefully to ensure that they reach their full potential and continue on their pathway to success via learning, apprenticeship and employment.

For all our young people decisions are very individual and we want to support them as fully as possible by providing excellent advice, guidance, help and support for every step of their journey.

This virtual event will take place during:

Period 2: (12-1.30pm) for Year 10 and Year 11 (KS4) There will be information/support from colleges, educational providers and apprenticeships to highlight pathways to different professions or study pathways. Help will be available for making applications and general guidance for those students who have yet to decide about their future choices including looking at academic routes like A level or the more vocational routes and BTEC's.

During these times there will be an opportunity for students to access live and pre-recorded careers support, information and guidance which is valuable at this particular point in student's educational journey. We hope it will inform pupils and assist them towards their destinations.

Where to access the Careers Fair via Teams on Tuesday 9th February:

Year 10 students: Year 10 Team – Careers channel

Year 11 students: Year 11 Team – Careers channel

Yours sincerely,

E Hughes & L Ajibade
Careers Coordinators
