Dear Parent/ Carer,

F.A.O: Parents/ Carers of Y11 and Y12 students with school provided laptops.

As you will be aware, your child received a temporary DfE laptop from Aston Manor Academy to support with their home-learning during the Covid-19 national lockdown.

With the plans for the gradual 'unlocking' of restrictions underway, and the successful return of pupils to school, we are now requesting for these devices to be returned to Aston Manor Academy.

Whilst we do not anticipate another lockdown, please be reassured that in the event of students having to undertake their learning at home as a result of being a close contact or testing positive for Covid-19, your child will be re-issued with the resources they need to ensure that their education is not disrupted.

We would like devices to be returned to Aston Manor Academy by **Monday 24th May 2021**. Students must deliver the devices in their original cases and with the correct charging units to reception, where the kit will be checked against serial numbers and then signed off as having been returned.

If you have any concerns about this or would like to discuss it further, please contact your child's head of year.

Yours faithfully,

Ms Z Jones

Assistant Headteacher
