Friday 17th September 2021

Dear Parents/Carers,

The start of the school day has been much calmer in school due to the use of different entrances and exits at the beginning and end of the day and the routes that year groups are taking to their classes. Thank you for supporting us with this.

Please can I draw your attention to the issues we have been having with parking outside of the school and in the immediate vicinity. We are located in an area of residential and commercial properties who all require access to their homes and businesses. We are receiving complaints from the community about the parking of parents.

You must not park on the yellow zig-zag lines outside of school as this is dangerous for our children, this is a driving offense according to the highway code and I ask that you do not park on the yellow zig-zags at any time.

We are having complaints from local residents whose driveways are being blocked by parents collecting their children from school. Please ensure that you adhere to the highway code as it is an offense to park across a driveway, even if it is only for a short time.

If you are collecting your child from the Phillips Street entrance of school there is space for parking by the park. It is much easier to wait for your child there or to park there and walk down in order to ease congestion and frustration for all. There is a member of staff on duty by the park every day to ensure our students are kept safe.

Thank you for your continued support,

Yours sincerely,

Ms J Sweeney
Headteacher
