15th December 2021

Dear Parents/Carers,

As we reach the end of term I would like to thank you for your support. Attendance from students has been excellent and as you will have seen from the newsletter we have had a wide range of activities on offer. This term we have had to deal with a higher number of issues than usual around social media use. Please can I ask that over the holidays you monitor your child's usage and talk to them about any issues that may be worrying them.

You will have received a letter this week from Mr Turner regarding COVID testing on return to school. This information is available on the school website for your reference. Please check the times of your child's testing arrangements. All students return to school on Wednesday 5th January 2022.

Any students from the ages of 12- 15 can now book in for their second vaccine by going to the NHS website.

We will be running a "MAD winter camp" from 20 – 23rd December between 10.00 and 2.00pm at Aston Manor Academy, lunch will be provided. There are places for a large number of students so please sign up. For more information please contact Leon details on the flyer attached.

If you have not signed up for parent mail please make sure that you do so over the holidays, and free school meal vouchers have been sent out in the post this week.

End of term arrangements

Sixth form students will finish for the holidays on Thursday 16th December, there will be no teaching for sixth form students on Friday.

Friday 17th December will be a non-uniform day, with students encouraged to wear Christmas jumpers or cultural dress. We will be charging students £1 and the proceeds will be going to the Red Cross.

Students will be dismissed from school at 12.00pm and we encourage all students to go straight home.

January expectations

Students have been very smart this term but please can I remind you that students will need to ensure they are wearing full school uniform in January, that means no boots, false eyelashes, nails or make-up and no inappropriate hair colours or styles. We ask for your support in this matter.

Expectations for the wearing of masks in communal areas of the school remain the same and pupils should do what they can to distance from each other as much as possible in their social times.

COVID-19 updates

Please can you keep up to date with government guidance regarding COVID over the holidays, if we need to issue any information to you then we will email this out. We will also put this information on the school website.

I would like to take the opportunity to say goodbye to one of our long serving members of staff. Mr Prince has worked at the school for 17 years and is highly thought of by staff and students. He has had a great deal of success both with the students in his year groups and with his PE teams over the years. I would personally like to thank Mr Prince for all that he has given to the school and wish him the very best of luck in his new school.

I wish you all a safe and happy holiday, and a very happy new year!

We look forward to seeing all of our students safe and well in the new year.

Yours sincerely,

J Sweeney
Headteacher
