28th January 2022

Dear Parent/Carer,

I am writing to inform you of some important information regarding Year 11. We expect that students this year will be once again sitting their GCSE examinations in the summer, after two years of centre assessed grades. In preparation for this we will be introducing additional intervention for Year 11 and there will be opportunities for extra classes both online and in school. There will also be sessions in school to inform parents about how they can best support their child. I have added some of the key dates below for your information.

Ongoing	Session 6 for students runs on a 2 week timetable, these sessions take place after school from 3.10p.m until 4.00p.m. I have attached the timetable for your reference.
February 5th onwards	Selected students will be invited to attend online tuition sessions on a Saturday mornings for English and Maths. You will be notified if your child is required for this. This is in addition to the online lessons in English already taking place on Thursday evening at 4.00p.m.
March 3rd	Raising Standards Evening - an opportunity for parents to speak with the Deputy Head and Head of Year regarding how best to support your child through the exam period.
March 3rd - 18th	Year 11 PPE2 Mock exam weeks.
May 16th	The main exam series for Y11 begins.

We are also opening a study room on each week day, except a Thursday, for students to revise in if they would prefer to work in school. This will be open from 4.00 -5.00p.m and will be supported by a member of pastoral staff. If you are happy for your child to attend this session, please could you fill in the slip at the bottom of this letter.

Thank you for the on-going support with your child, please encourage them to engage in their revision at home and please contact school if you have any questions or concerns.

Yours sincerely

Mr J Forbes
Deputy Headteacher KS4

I give my child permission to be in the school study room from 4.00 -5.00p.m. Please indicate how your child will be going home.

Walk home
