HEADTEACHER: JILL SWEENEY

10th June 2022

Dear Parent/Carer,

I am writing to inform you that Year 7 examination week will take place the week beginning Monday 13th June 2022. Students will sit formalised assessments in most of their subjects. Some subjects have already completed these or will do so later in the term.

All students have been informed of the arrangements for these examinations over the last few weeks. Teachers have prepared revision materials that can be accessed via Firefly for pupils to be able to use to help them prepare. Form tutors will also be spending time preparing students for the demands of the upcoming assessments.

It is vital that we prepare students to undertake formal examinations as early as we can. In consideration of this, we will therefore be holding the examinations during the exam week under formal conditions, but in classrooms with their subject teachers. This is so students are able to develop the necessary skills needed for success throughout their academic careers at Aston Manor Academy.

The examination timetable for next week is attached to this letter. I would be grateful if you could support your child by going through the timetable with them and encouraging them to revise at home using the revision material provided by each subject.

We hope this will be a positive experience for our pupils, and one which will help to develop the skills that will help to contribute to their success at the end of their academic careers. If you have any questions, please do not hesitate to get in touch with me.

Yours sincerely,

Mr G Black

Head of Year 7
