## PERFORMANCE OF DISADVANTAGED STUDENTS IN RELATION TO 2020/21 TARGETS

PP GAP HAS GROWN THIS YEAR

Year	Progress gap	Attainment Gap
2018/19	0.2	0.58
2019/20	0.11	0.16
2020/21	0.36	0.47*

\*This equates to half a grade  
Nationally the gap is 1.44

The impact of Covid-19 has meant that the gap for PP students against non-pp students has increased. Covid-19 was a challenge for the PP students due to lack of equipment and lack of data. Also, they lacked the space to work or had a lack of adequate housing. We have more students than ever who are now living in temporary housing. These are all factors which impact on student attainment.

Our strategies last year included providing all PP students with laptops where they were available. Providing Wi-Fi was an ongoing issue for some students. When students returned, it was largely apparent that our PP students had been significantly disadvantaged in their learning due to a lack of teacher/student face-to-face interaction.

## STRATEGY AIMS FOR DISADVANTAGED PUPILS

Aim	Target	Target date
Progress 8	To maintain the significantly positive progress made by disadvantaged students, ensuring P8 scores remain in line with our non PP students	Sept 2022

<b>Aim</b>	<b>Target</b>	<b>Target date</b>
Attainment 8	Achieve national average for attainment for all PP students	Sept 2022
Percentage of Grade 5+ in English and maths	Achieve above national average for English and maths 5+ scores, in line with similar schools	Sept 2022
Other	Maintain and improve attendance to above national average	Sept 2022
Ebacc entry	Maintain significantly above national average Ebacc entry for students – in line with our non-PP students	Sept 2022
